Notes to help you enjoy your night

Fireworks in the city

City of Melbourne has confirmed fireworks will be from the rooftops of buildings all over the the city, aimed at an audience along the Yarra River corridor. Pure South Dining is in the ideal location to lap up the spectacle. Diners on the window have ‘pole position’, but everyone has a view.

We have found in the past that some of our guests wonder outside at midnight for a 360 degree view.

9:30pm Yarra Park, focussed on the parks around the MCG and along the Yarra River.

Midnight Melbourne city Rooftop Firework Display

Menu

Our menu is derived from relationships with ethical, sustainable, premium farmers and fishermen of Tasmania, King Island, Flinders Island and the surrounding seas. Due to the nature of the Pure South Dining ethos, our menu relies on the seasons and the natural elements that affect farmers and fishermen, and so late changes may be unavoidable.
